

BREEZE terms and conditions

BREEZE is a membership scheme for anyone aged 18 to 25. Membership will expire the day before the Member turns 26. Details about joining can be found at openairtheatre.com/breeze.

On receiving e-mail or mail confirmation of BREEZE membership, Regent's Park Open Air Theatre will endeavour to send out a membership card within four weeks to the Member. This time period could be longer during the summer months and could take up to eight weeks. The membership card is not needed to purchase tickets.

By joining BREEZE, Members agree to Regent's Park Open Air Theatre contacting them via e-mail or mail with membership information, offers, discounts and benefits. Members who do not wish to be contacted in this way or who wish to discontinue their membership should e-mail breeze@openairtheatre.com and clearly state this.

When booked in advance, the Member must be aged between 18 and 25 when attending the performance or event, otherwise they will be required to pay the difference between the Members' rate and the standard price of a ticket.

Members will be asked to bring proof of age with them when attending preview performances and BREEZE events. This can include a passport, driving licence or birth certificate. Membership cards cannot be used as proof of identification.

Regent's Park Open Air Theatre can refuse entry to any Members who are unable to provide satisfactory identification upon request.

Members can purchase up to two tickets per preview performance or BREEZE event, subject to availability. One of these tickets must be for the BREEZE Member making the booking. The guest ticket can be purchased for someone who is not a member and they do not need to be aged 18 to 25.

Tickets are sold subject to availability and some BREEZE performances and events will have a restricted allocation of tickets.

Preview performance tickets are not available for the children's Re-imagined production.

10% discount can be claimed at the bar and barbecue at BREEZE performances (previews) and BREEZE events upon presentation of a membership card. The discount is not available at any other time and cannot be claimed without a membership card.

Joining the scheme close to your theatre visit may mean that the membership card cannot be issued in time. In this event, membership card benefits such as 10% discount at the bar and barbecue cannot be claimed. Membership cards cannot be used as proof of identification to purchase alcohol.

BREEZE ticket prices are subject to change at the discretion of Regent's Park Open Air Theatre and the theatre can terminate the scheme at any time.

BREEZE membership and tickets are subject to the theatre's full terms and conditions including the weather policy available at openairtheatre.com/terms.
