Evening Standard

Established in 1932, the award-winning Regent's Park Open Air Theatre is a firm fixture of summer in the city, providing a cultural hub in the beautiful surroundings of a Royal Park.

The stage and auditorium are entirely uncovered, and the scale, audacity and ambition of our productions makes us unique in the cultural landscape of London.

Regent's Park Open Air Theatre is an equal opportunities employer and our recruitment process is open to all. Our ambition is to achieve greater diversity so that our organisation better reflects the city and country in which we live.

SUCCESSFUL

We have a reputation for creating first class award-winning theatre specifically for and in our distinctive setting, working both with theatre professionals at the top of their game and nurturing the development of emerging artists.

In the last 10 years, the theatre has won **7 Olivier Awards**, **7 WhatsOnStage Awards**, **4 Evening Standard Awards**, was named **London Theatre of the Year** in 2017 by The Stage, and received the Highly Commended Award for **London Theatre of the Year** in 2021.

Our productions have toured the UK, and have transferred to both the West End and the United States.

ACCESSIBLE

As a registered charity that receives no public subsidy, the theatre is entirely self-funding, with over 90% of income derived from ticket sales. Nevertheless, we are committed to keeping theatre accessible.

The lowest ticket price of £25 has been maintained for 8 years, and a range of discounts and concessions includes the BREEZE scheme for those aged 18-25, which gives access to tickets to all our productions for just £10. In the past year we have seen an increase of 56% in the number of Members and Patrons, and each year, on average, we subsidise tickets for 6,000 school children to watch a production, with opportunities to continue their learning with our education packs.

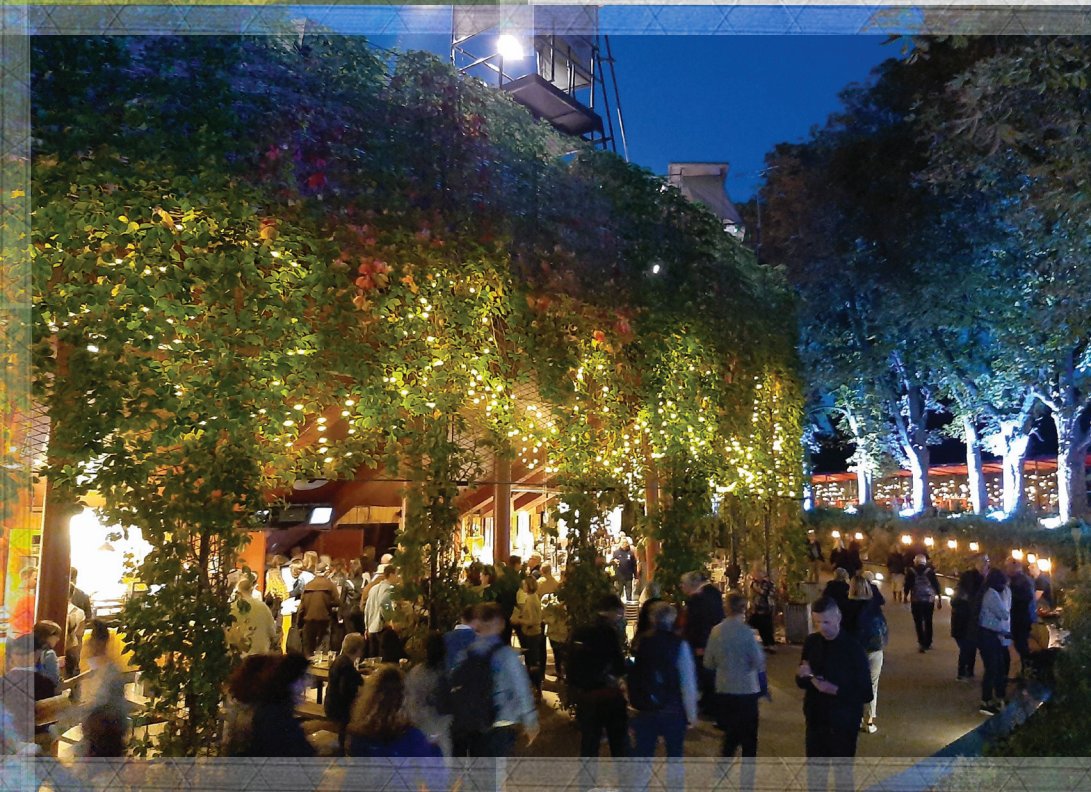

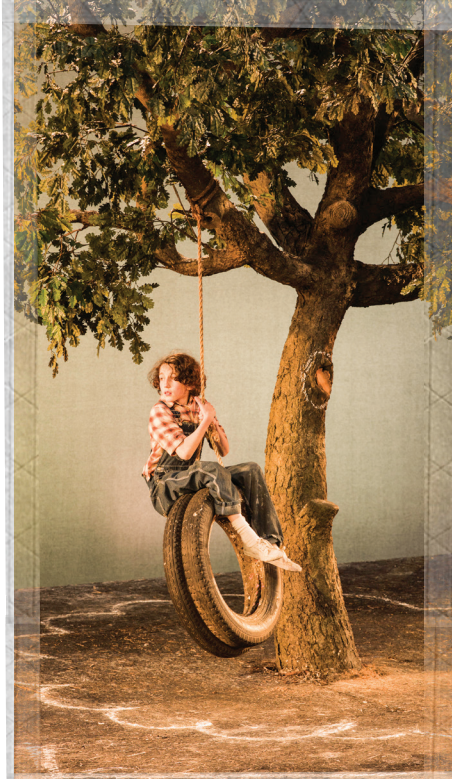

EXPERIENTIAL

Completing the theatre experience, our in-house bars and restaurants champion exemplary customer service, and offer a selection of dining choices, including our waiter-served Covered Dining, afternoon tea and more casual options such as picnics and The Grill.

AMBITIOUS

Regent's Park Open Air Theatre has become one of the most independently sustainable and financially successful producing theatres in the country, and so we embark on the next stage of our vision with ever-increasing artistic ambition and entrepreneurial spirit.
