ABOUT US

Established in 1932, the multi-award-winning Regent's Park Open Air Theatre is one of the largest theatres in London (at a capacity of 1,304). Passionate about producing popular, enriching and unexpected theatre that provides a lens into the here and now, the scale and ambition of our productions together with our magical outdoor setting, makes us unique in the capital's cultural landscape. In 2025 we welcomed over 177,000 people to our 20-week summer season.

Drew McOnie assumed the role of Artistic Director in January 2024, and James Pidgeon was appointed Executive Director in 2021.

The Times

Over the last sixteen years, our productions have won ten Olivier Awards, ten WhatsOnStage Awards, and four Evening Standard Awards. We were named London Theatre of the Year in 2017 by The Stage, and received the Highly Commended Award for London Theatre of the Year in 2021. Our productions have toured the UK and have transferred to both the West End and the United States. Our 2016 revival of *Jesus Christ Superstar* has just finished tours of the UK, North America and Australia. Our Olivier Award-winning revival of *Fiddler on the Roof* transferred to the Barbican Centre in May 2025 ahead of a major tour of UK and Ireland through to January 2026.

As a registered charity that receives no regular public subsidy, we rely entirely on earned income and charitable contributions. Nevertheless, we have maintained 36,000 tickets at £15 across the whole of 2025's summer season, our BREEZE scheme enables those aged 18-25 to buy tickets for £10, and we regularly work with local charities. Each year, on average, we subsidise tickets for 6,000 school pupils.

Food and drink plays a significant role in the Open Air Theatre experience, with our in-house bars and restaurants including Covered Dining, The Grill and The Pizza Oven. We also have our own picnic lawn and the West End's longest bar!

Regent's Park Open Air Theatre has become one of the most independently sustainable and financially successful producing theatres in the country, and we're proud to embark on the next stage of our vision with ever-increasing artistic ambition and entrepreneurial spirit.

RESIDENCY

ABOUT THEATRE DANCE LAB

Theatre Dance Lab is an artist development programme for early-career musical theatre choreographers. Now in its second year, it is a paid residency that will give two choreographers the chance to develop their practice through studio time, coaching, and access to world-class dancers. The selected choreographers will also be commissioned to create a brand new programme of work to be showcased at Regent's Park Open Air Theatre.

Regent's Park Open Air Theatre will offer each successful choreographer:

- A £3,000 commissioning fee to develop a new programme of work with a cohort of professional dancers.
- Six hours of coaching/mentoring with Regent Park Open Air Theatre's Artistic Director, Drew McOnie
- Three coaching/mentoring sessions with industry-leading choreographers
- Three hours of coaching/mentoring from the theatre's producing team and other colleagues.
- Free rehearsal space and office resources for both prep and creation
- Budget to see relevant work at other performance venues, as well as attend symposiums, conferences and networking events.
- A daytime sharing on our main stage, showcasing each choreographer's work to public audiences as well as selected industry colleagues who will add value to each artist's professional career development.
