Once everyone is in the auditorium, the show can start.

The performers will introduce themselves at the start of the show.  
This will take about 10 minutes.

The show will then last for 2 hours and 30 minutes

The whole event will last about three hours and 30 minutes

At the end of the show, people may clap. You can clap too if you like.

The show is now over and it is time to leave the theatre. Make sure you don't leave anything behind.
